

TimeStationPC
NETWORK™

TimeStationPC Network™

The Acroprint TimeStationPC Network™ enables employees to “punch in and out” at their personal computers. No terminals, badges, or time cards needed.

Ideally suited for small businesses who want to automate their time and attendance process. TimeStationPC Network™ reports regular hours, two levels of overtime, vacation, sick/personal hours, holidays, and other categories. Supervisors can print **Time Card reports**, **Hours Summary**, **Who's In reports**. User/Password protected. You can set up employees to enter punches manually, via timeslips or automatically each time they log in or out of their workstation. Operates on Windows® operating system.

TimeStationPC Network™ System Requirements:

Server PC:

IBM® PC compatible computer
Intel® Pentium II, 400 Mhz or Higher
