**ACROPRINT**  
Time for Business.™

# ATR 20/20

Time & Attendance System

**S**implify your company's time and attendance process with Acroprint's **ATR 20/20**. The **ATR 20/20** replaces manual data entry using proven "badge swipe" technology to help you manage your workforce and improve productivity.

The **ATR 20/20** is **clearly the best** time and attendance system for small-to-medium sized businesses. Designed to grow with your business, the **ATR 20/20** can handle hundreds of employees at a single location or multiple sites.

## Easy. Affordable. Expandable.

The screenshot shows a software window titled "Employee Maintenance". It contains several input fields for employee information: Employee ID (12345), Name Last (Smith), First (John), MI (C), Soc. Sec. # (123-45-6789), Telephone (919-912-1234), Address (2840 Depature Drive), City (Raleigh), State (NC), and Zip (27608). There are also fields for Status (Active/Inactive), Hire Date (01-03-2001), Group Code, and Badge (72345). A "Assign Employee To" section includes buttons for "To Schedules", "To Department", and "Messages". A standard Windows-style toolbar is visible at the bottom of the window.

- Easy-to-use, intuitive system
- Sets up in minutes
- Interfaces to most 3<sup>rd</sup> party payroll systems
- Eliminates hand-totaling
- Manage time and attendance from your computer
- Uses magnetic stripe badges, bar code badges, or keyboard entry
- Accurate and indisputable records
- Expandable system grows with your company
- Can use single or multiple terminals
- Saves time and money

The **ATR 20/20** eliminates many of the headaches associated with calculating employees' hours and lets you focus on managing your business.

With complete systems starting at only \$1,395\*, the **ATR 20/20** is a surprisingly affordable system for your time and attendance needs.

\* Complete systems include the **ATR 20/20** terminal, computer software, and connections.
